Who Should Attend and Why?

An important partnership exists between the Nebraska Public Employees Retirement Systems (NPERS) and all Nebraska public schools, based on requirements in state law.

To recognize and reinforce this partnership, NPERS offers workshops annually for **Employer Contacts, bookkeepers, payroll contacts, human resource/personnel representatives, business managers**, and anyone else responsible for:

- enrolling members in the retirement plan,
- withholding retirement contributions from member's pay and
- preparing and filing reports

This year an Internal Revenue Service Representative will provide information on their Federal, State and Local Government Division and 1099 filing requirements.

Please bring your Manual for Employer Contacts with you to the workshop.
